

29 July 2021

Dear Parents

Here are some reminders to assist you with our final **preparation**.

All children's **ski gear** needs to be checked by Mrs Fonokalafi or me.

All **helmets, skis, poles and boots and lessons** have been booked with Turoa, so we will be ready to go! These bookings cannot be changed so please don't come along with gear that you have consequently borrowed.

There are **more forms** to complete, sorry. It is necessary that we thoroughly prepare for our EOTC event. These forms are part of the requirements of our EOTC Policy.

Thank you all for being so co-operative with payments and I know you will be ready to assist with food preparation. The document will be shared with you soon.

You are **welcome** to ask questions. Lyndal and I are always available. We have continued to provide this opportunity for Year Six students, as a result of the co-operation and support we get from our families.

Yours sincerely

Merillees Nicholls
